CALL FOR ENGAGEMENT OF AN INDEPENDENT CONSULTANT FOR THE DEVELOPMENT OF A MANUAL ON DISASTER RISK REDUCTION AND EMERGENCY PREPAREDNESS AND RESPONSE.

Contract Type: Short term Consultancy
Location/Coverage: Plateau State, Nigeria
Contract Duration: 10 Working Days
Contact: Anthony Boniface- anthonyboniface@yahoo.com; 08033725848, 08098631367

Background

The “Emergency Relief and Rehabilitation (ERR) project in Plateau State” is a partnership between the Social Justice and Human Development for Peace Initiative (JDPC), a non-governmental, faith based and non-profit organization; the social development arm of the Catholic Church and Mission 21 to be implemented in the 17 LGAs of Plateau State.

The project is geared towards the Identification, Assessment, Mitigation and Management of disasters (natural/man-made) with trainings on Disaster Risk and Response (DRR), Disaster Management Response (DMR) and National Disaster Response Strategies (NDRS) to support Local Emergency Committees which will be established in some selected communities in Plateau State.

With reference to the above, we hereby call for applications from qualified and experienced consultants in the area of Disaster management and emergency response. The consultant is expected to develop a manual in both English and Hausa Languages on the title: Disaster Risk Reduction and Emergency Preparedness and Response.

Application

Interested consultants should submit an application on or before Thursday 13th June, 2019 via this e-mail address: eprtjos@gmail.com

Applications should include the following:

1. An overview of consultant’s academic qualification and relevant experience to be included in his/ her CV (the CV should include contact details such as physical location, telephone number and email address)
2. A one-page summary description of services and methodology
3. A one-page application letter
4. A sample report of a similar work done on Disaster Management and Emergency Response.

Management JDPC, Jos
